Terms of payment: The amount must be in our possession before the start of the rental period (ie 01-11-2015 in winter / winter berth and 01/04/2016 at summer / year to water).

Failure to observe the terms of payment arises authority for the Port Authority to use the lien on that boat. See also Article 4 of our terms and conditions. On the berthrental , Storage and/ or activities are our terms and conditions and the port regulations of Helena Yard Watersport vof applicable. These conditions are available for inspection at the port office / shop and are available on request.

Please indicate the length of your boat including stem and davits or dinghy.

Drinking water and waste water tanks must be empty and clean before the boat goes into storage.

Batteries must be disconnected completely.

Gas cylinders, fuel cans and other flammable substances are not allowed on board during storage.

By grinding and sanding work (which can only take place outside) you must take precautions so that no damage is caused to the property of others. The use of a vacuum cleaner / extractor of which is mandatory. To protect your boat from dust and dirt, we also advise you to cover your boat when it's covered-stored .

From December 19 to January 12 the storage halls are closed. The halls are not accessible.

Opening hours grounds and halls:

Monday's till Friday's 8.30 – 17.00 hours

Saturdays & Sundays 10.00 – 17.00 hours

Working on the boat is allowed only during opening hours.
